

Health & Safety Objectives

In order to adhere to our Health & Safety Policy, we have set ourselves some objectives, they are as follows:

We here at Jamieson Contracting (MCR) Ltd aim;

- To carry out activities on all sites causing zero harm to our employees and others.
- To ensure our record of 'no lost time' through injuries continues.
- To assess the risks with all activities and train/instruct and supervise our employees/ sub contractors to ensure the correct control measures are implemented.
- To ensure all our client's Health & Safety requirements are met.
- To continually improve our H&S performance by implementing the requirements of OHSAS 18001.
